

CTA LANE RESTRICTIONS

Departures Level Terminal 5.5

Sunday, August 29 through Friday, October 22, 2021
Nightly from 10PM to 6AM

ACTIVITY

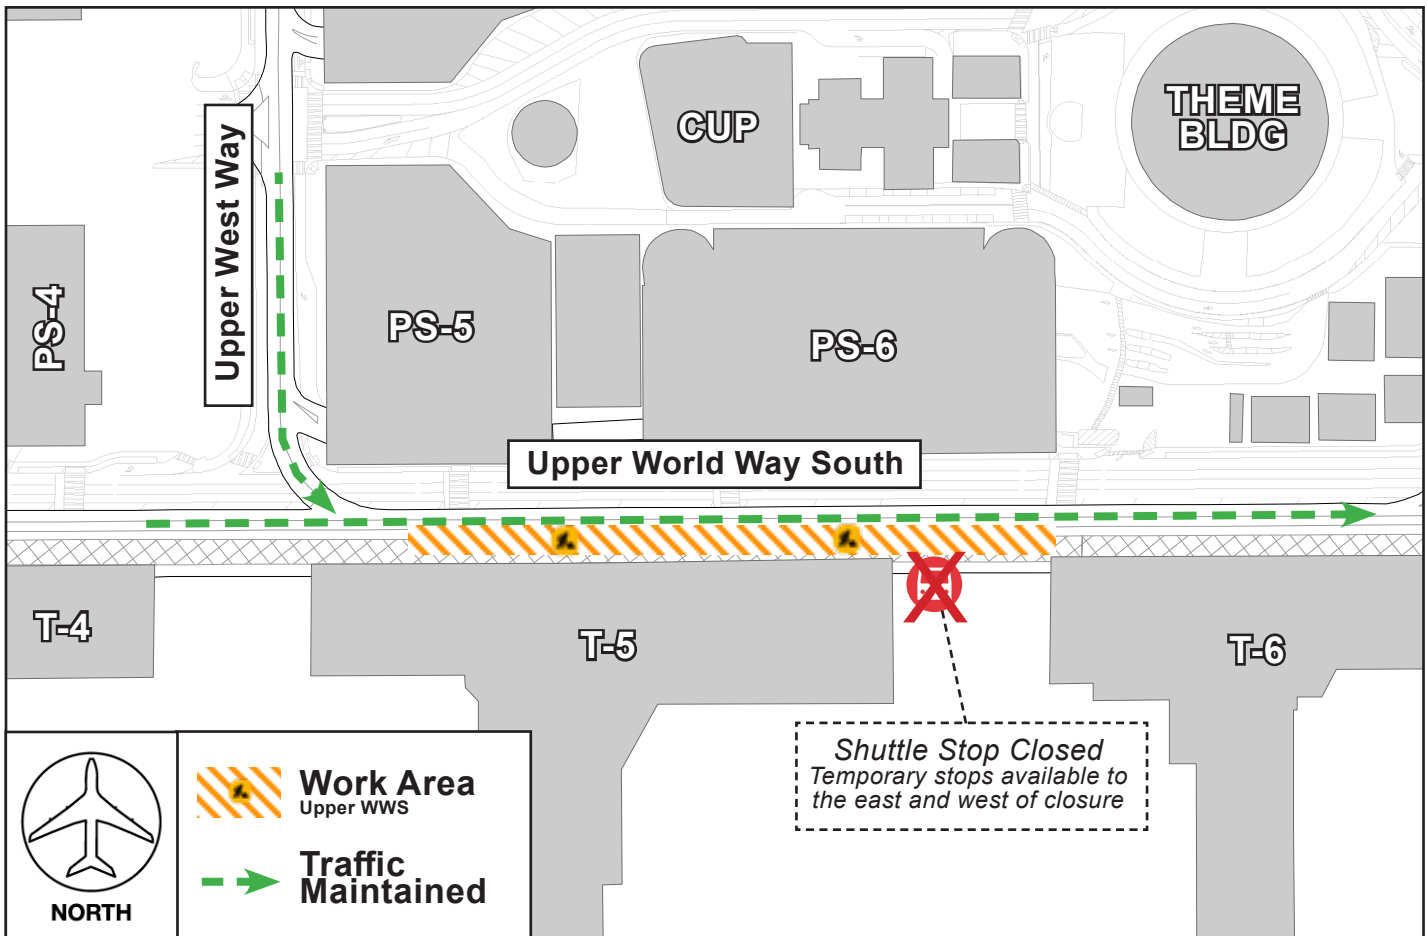

To facilitate glazing installation by a mobile crane for the Terminal 5.5 Cores & APM Interface Project, Departures Level World Way South between Terminals 5 and 6 will experience nightly lane restrictions beginning Sunday, August 29 through Friday, October 22, nightly from 10PM to 6AM.

DURING THESE WORK HOURS:

The drop-off and innermost through-lane will be restricted. Through traffic will be maintained at all times via outer lanes. Passenger drop-off will be maintained at areas before and after the closure. Flaggers and signage will be in place.

The Hotel & Private Parking Shuttle Stop at this area will be closed. Temporary stops will be in place before and after the restricted work area. Guests will be directed to use the either available stop.

Pedestrians will be detoured to the Arrivals Level sidewalk via flaggers to avoid the work zone.
