Our Story

La Familia represents the love and labor that is seen through the bold and complex flavors in Latin cooking. Pushing the creative boundaries of culinary exploration, our chefs bring you an authentic taste of various Spanish regions and their colorful, vibrant and contrasting flavors.

Alongside our wonderful menu, a vast selection of tequila is offered. Much like food, time and tradition play a huge role in the perfectly selected agave plant. Generations of family and skilled mastery result in an unprecedented artisanal spirit. We pay homage to skillful traditions and you're now part of our family.
