

LANE RESTRICTIONS

Westbound Century Blvd at Jetway Blvd

(between Avion Dr and Vicksburg Ave)

Friday, July 26 at 11PM through Sunday, July 28 at 6AM

ACTIVITY

To facilitate roadway paving for the APM project, westbound lanes on Century Boulevard at Jetway Boulevard (between Avion Drive and Vicksburg Avenue) will be restricted Friday, July 26 at 11PM through Sunday, July 28 at 6AM.

To help facilitate the flow of traffic and maintain access to LAX and surrounding businesses, work will be performed in phases across westbound lanes with at least one lane of through traffic open at all times.

Please note: The Work Zone illustrated below highlights the overall footprint of total areas / lanes to be paved. This does not represent the phased lane restrictions; through traffic will be maintained.

Eastbound Century Boulevard is not impacted by this work and will be maintained as normal.

Flaggers and signage will be in place to assist with wayfinding and maintenance of traffic. Please use caution when traveling near construction areas and plan ahead for potential delays.
