

LANE RESTRICTIONS

Terminal 1.5 Departures Level Barricade

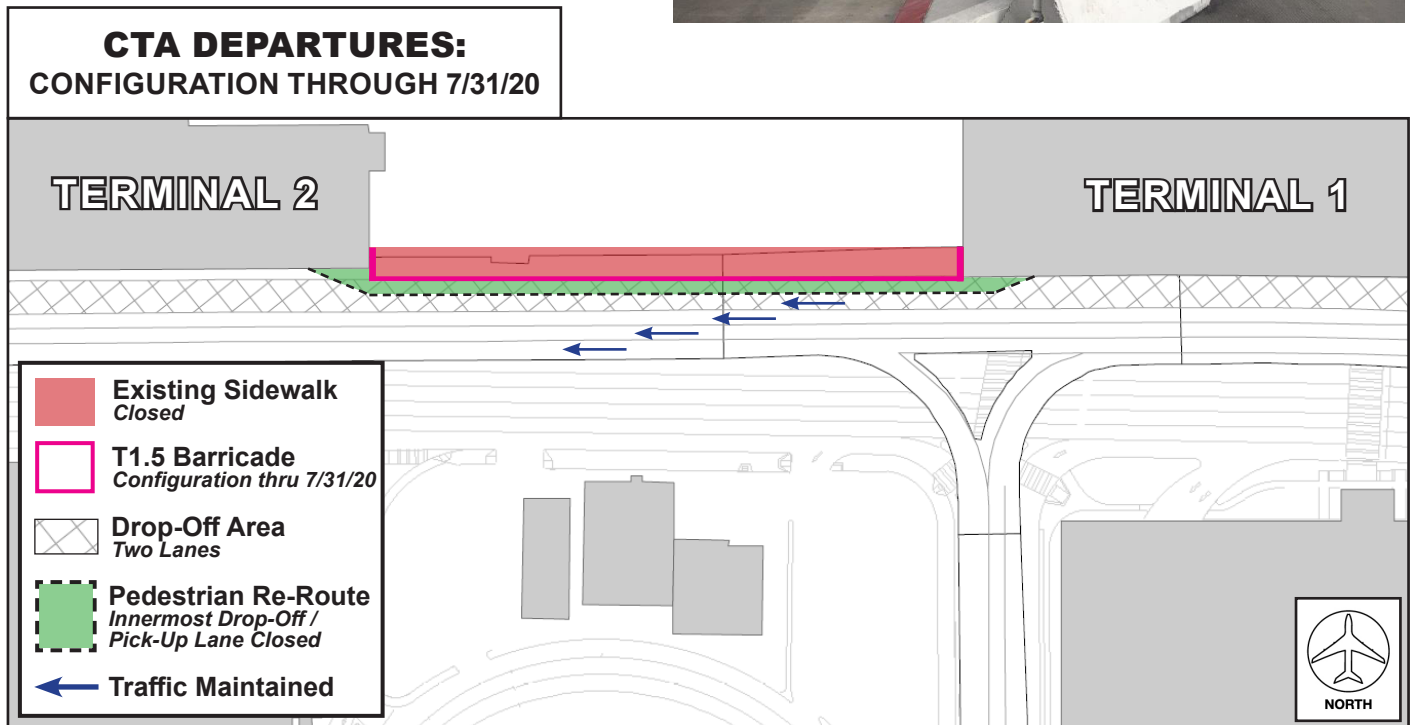

PHASE 2 CONFIGURATION EXTENDED THROUGH FRIDAY, JULY 31, 2020

IMPACTS

- Existing Departures Level curbside barricades for the Terminal 1.5 project, which encompass the sidewalk between Terminals 1 and 2, are scheduled to remain in their current configuration through Friday, July 31, 2020.
- One Drop-Off / Pick-Up lane and three regular lanes of traffic are currently maintained.
 - * Additional intermittent and / or nightly lane restrictions at this area are required for future work related to this project. Updated notice(s) will be issued as needed.*

PEDESTRIAN RE-ROUTE

- Pedestrian traffic will continue to be maintained via the temporary sidewalk on the innermost Drop-Off / Pick-Up lane (with protective canopy in place), pictured right.
