TERMINAL B PASSENGER PICKUP
Terminal 4.5 Pedestrian Bridge Construction
Thursday, June 3 through Thursday, July 8, 2021 | Nightly from 12AM to 8AM

ACTIVITY
The Automated People Mover project will construct a new Pedestrian Bridge over the roadways between Terminals 4 and 5 to connect the APM’s future West CTA Station with the future Terminal 4.5 Vertical Core.

Construction will require lane closures and restrictions on Lower World Way beginning Thursday, June 3 through Thursday, July 8, 2021.

During construction, vehicles picking up passengers from Terminal B must use the Passenger Pick Up Area at Parking Structure 3, Level 1 (Ground Level). The area is indicated by burgundy signs that say Terminal B Pickup at Parking Structure 3.

Signage and flaggers will be in place to assist with wayfinding. Please use caution when traveling through construction areas.

Passengers exit Terminal B and use crosswalk to Parking Structure 3

Vehicles use second entrance at Parking Structure 3 to reach Level 1
