## **PUBLIC COMMENTS AT ADA COMMITTEE MEETINGS**

Public comment can be made for each agenda item at the time each item is considered by the Committee (before action is taken), and is limited to three (3) minutes per person. General comments for items not on the agenda are also permitted, with a three (3) minute per person limit.

The Committee may limit or extend public input on any item, based on the number of people requesting to speak and the business of the Committee.

The Committee Chair determines the order in which speakers will be called and the length of time each speaker will be permitted to speak.

Members of the public should direct any questions to the Chairperson rather than to any particular member of the committee, guest or other participant.

At the discretion of the Committee Chairperson or upon a vote of the Committee, any person who is disruptive may be removed from the meeting room.

### **PROCEDURE FOR ADDRESSING THE COMMITTEE**

There are two ways a member of the public may address the Committee.

1. Email the Office of LAWA's Disability Coordinator and ask to speak on an item in the agenda (describe item).
2. Fill out a Speaker's Card which is available at the Committee meeting and hand it to the Committee Secretary, prior to the item being brought up for discussion. If you wish to speak on a general item not on the agenda, but related to the work of the committee, you may do so during the general PUBLIC COMMENT period, after filling out a Speaker's Card.
