

CONSTRUCTION IMPACTS TO TRAFFIC

Northbound & Southbound Sepulveda Boulevard

Between Rosecrans Avenue and Imperial Highway

Tuesday, May 29 through Friday, June 1 and Monday, June 4 through Friday, June 8
Nightly - Northbound: 11PM to 6AM; Southbound 9PM to 6AM

ACTIVITY

Caltrans sensor loop installation will close all but one northbound and one southbound lane on Sepulveda Boulevard between Rosecrans Avenue and Imperial Highway nightly from Tuesday, May 29 through Friday, June 1 and Monday, June 4 through Friday, June 8.

- Northbound lanes closed 11PM to 6AM
- Southbound lanes closed 9PM to 6AM

IMPACTS CLOSED

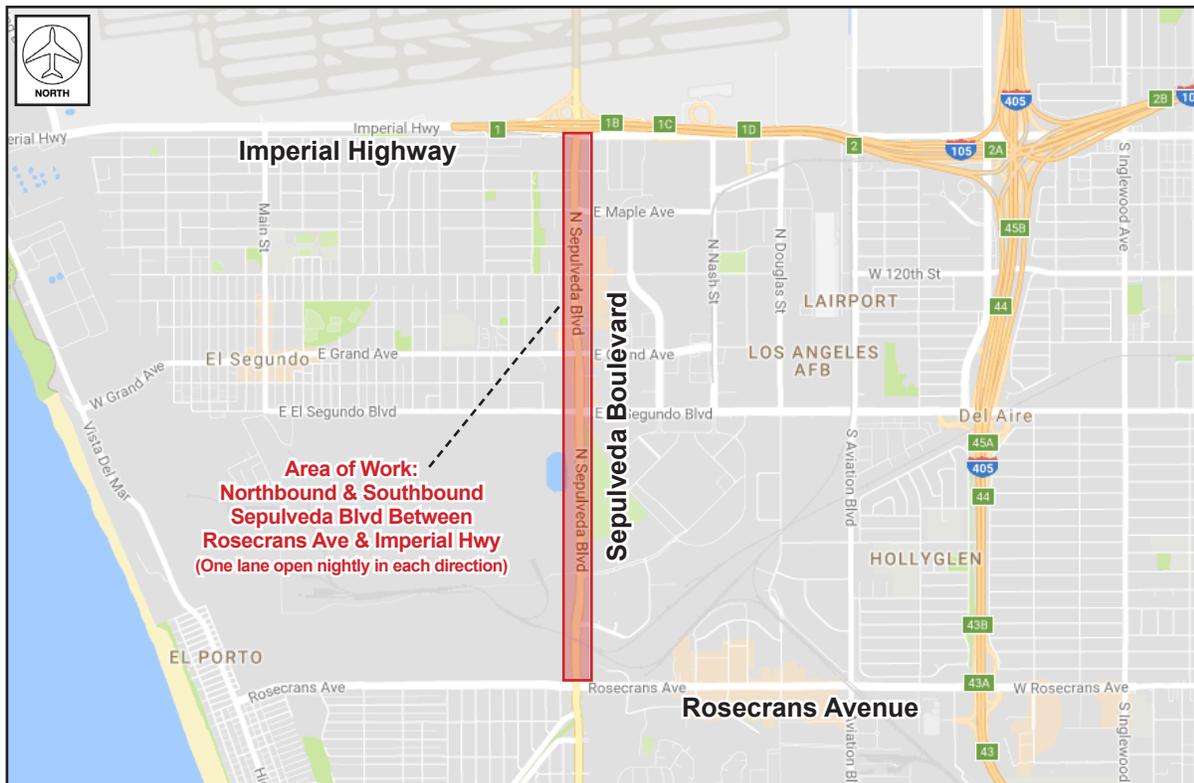

- All but one northbound and one southbound lane on Sepulveda Boulevard between Rosecrans Avenue and Imperial Highway

OPEN

- One lane of both northbound and southbound Sepulveda Boulevard will remain open at all times during work hours
- All lanes will be restored daily

ALTERNATE ROUTES

- Aviation Boulevard, La Cienega Boulevard, and other north-south routes may be used to avoid construction
