

CTA LANE RESTRICTIONS

Arrivals Level Terminal 3 to Terminal 4

Monday, August 30 through Friday, December 31, 2021
 Nightly Monday through Friday from 1:30AM to 7AM

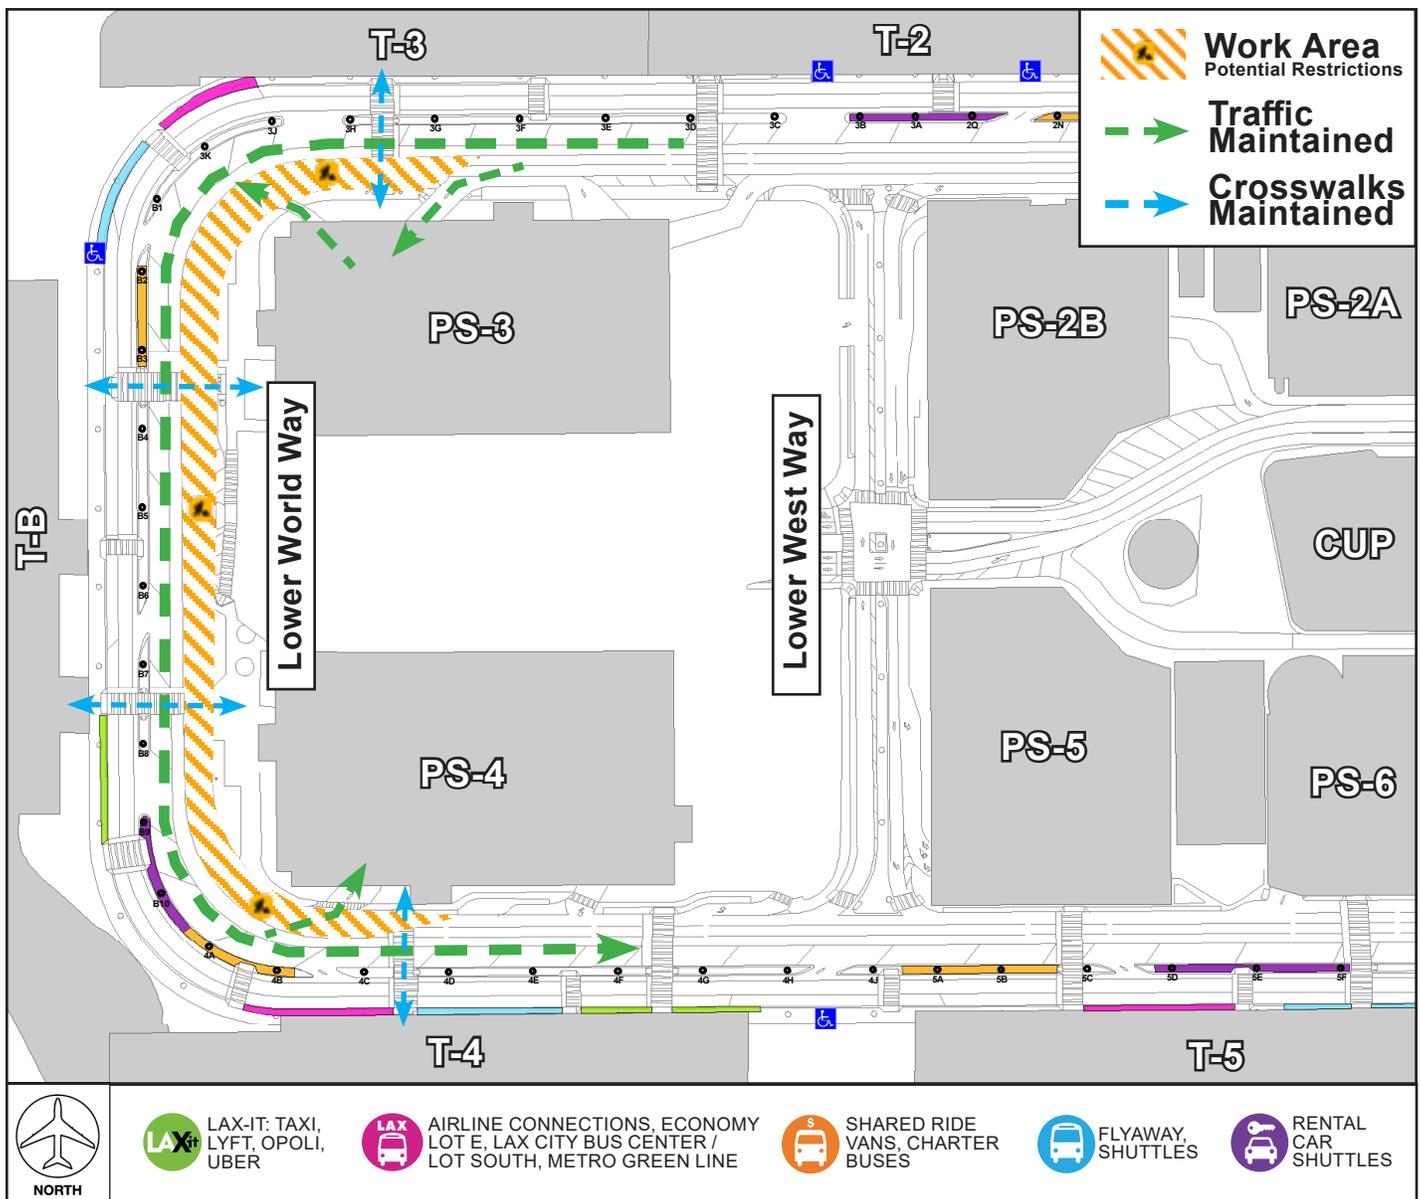

ACTIVITY

To facilitate the installation of an underground gas line by SoCalGas, portions of CTA Arrivals Level outer lanes between Terminal 3 and Terminal 4 will be restricted in phases beginning Monday, August 30 through Friday, December 31, Monday through Friday nights from 1:30AM to 7AM.

Inner lane operations are not impacted by this work. Through traffic will be maintained at all times as well as outer curb activity and ingress to / egress from Parking Structures 3 and 4. Pedestrian sidewalk and crosswalk access will also be maintained at all times.

Please note this work will be performed nightly in phases. The work area illustrated below indicates entire project scope. Work locations and lane restrictions will vary by night, but traffic and access will always be maintained.
