

ROADWAY IMPACTS

Arbor Vitae Street between Sepulveda Boulevard and Hindry Avenue

Starting Friday, November 3 at 9PM

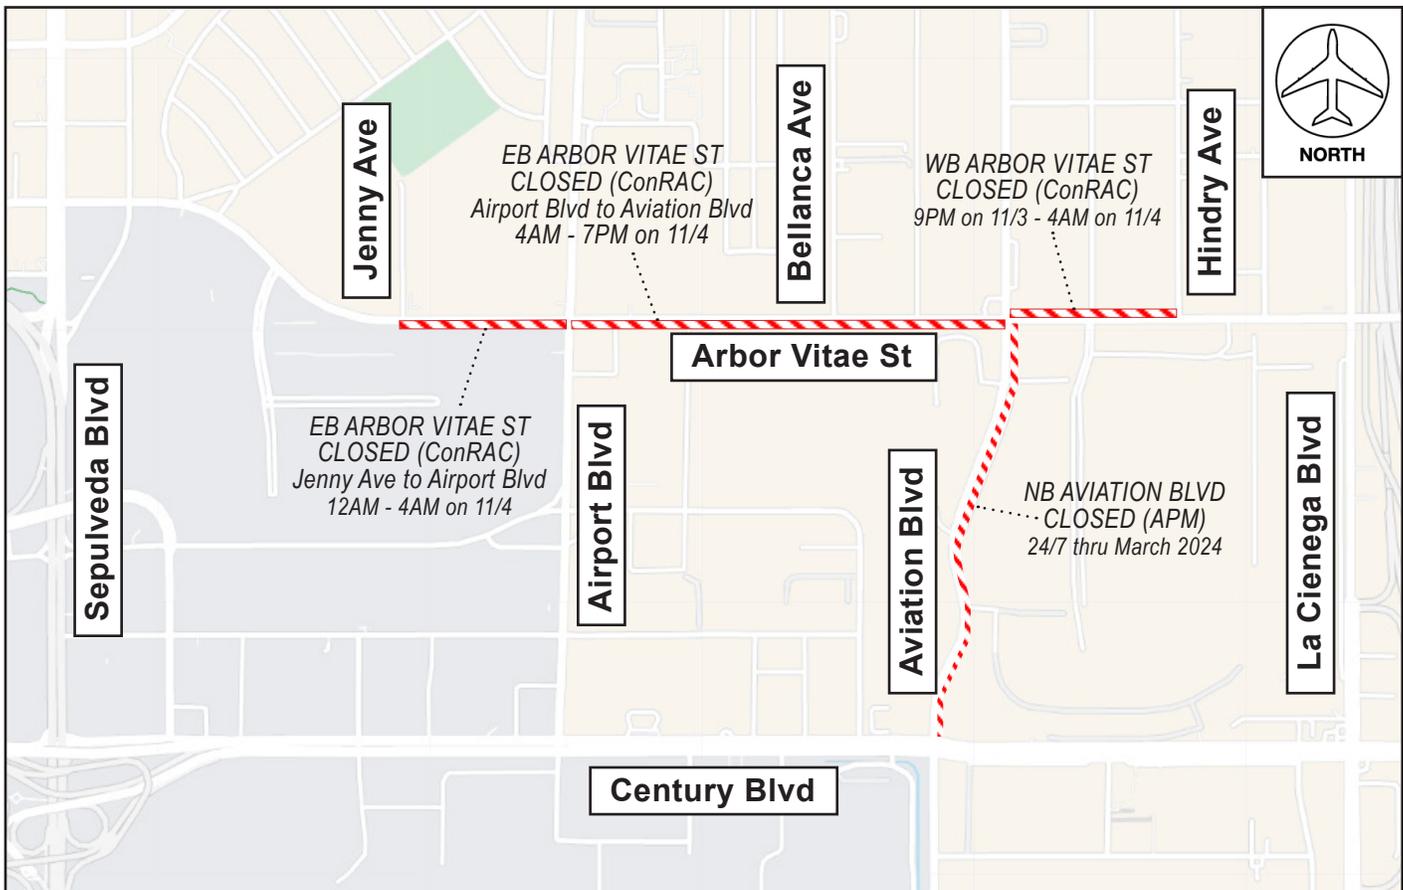

ACTIVITY

To facilitate roadway work for the Consolidated Rent-A-Car (ConRAC) facility, a full closure of Arbor Vitae St between Bellanca Ave and Aviation Blvd will be in place effective Friday, November 3 at 9PM through December 2023. To implement this full closure, preparatory roadway work (e.g. striping) will take place over a larger portion of Arbor Vitae St the weekend of November 3, 2023.

Preparatory work will close eastbound Arbor Vitae St between Jenny Ave and Aviation Blvd, and westbound Arbor Vitae St between Hindry Ave and Aviation Blvd. Local access for airport shuttles and LAX employees will be maintained at all times and a flagger will be onsite to grant access through the closure.

A separate Construction Impacts Notice is issued for the long-term full closure, which is scheduled to be in place through December 2023.

Please note: Northbound Aviation Blvd between Century Blvd and Arbor Vitae St is closed 24/7 by the APM project. Southbound Aviation Blvd traffic is maintained at all times.
