

# PHASE I EXTENDED THROUGH JUNE 16, 2018

## MSC Electrical Vaults: Phase I Lane Closures

World Way North Between Terminal 3 and Terminal B

Monday - Friday, 12AM to 8AM

### ACTIVITY:

Midfield Satellite Concourse (MSC) construction work requires the installation of two electrical vaults under World Way outer lanes 3 through 5, between Terminal 3 and Terminal B. Phase I lane closures have been extended through June 16. Work will occur Monday to Friday from 12AM to 8AM. Additional notices will be issued as needed for future phases requiring lane closures.

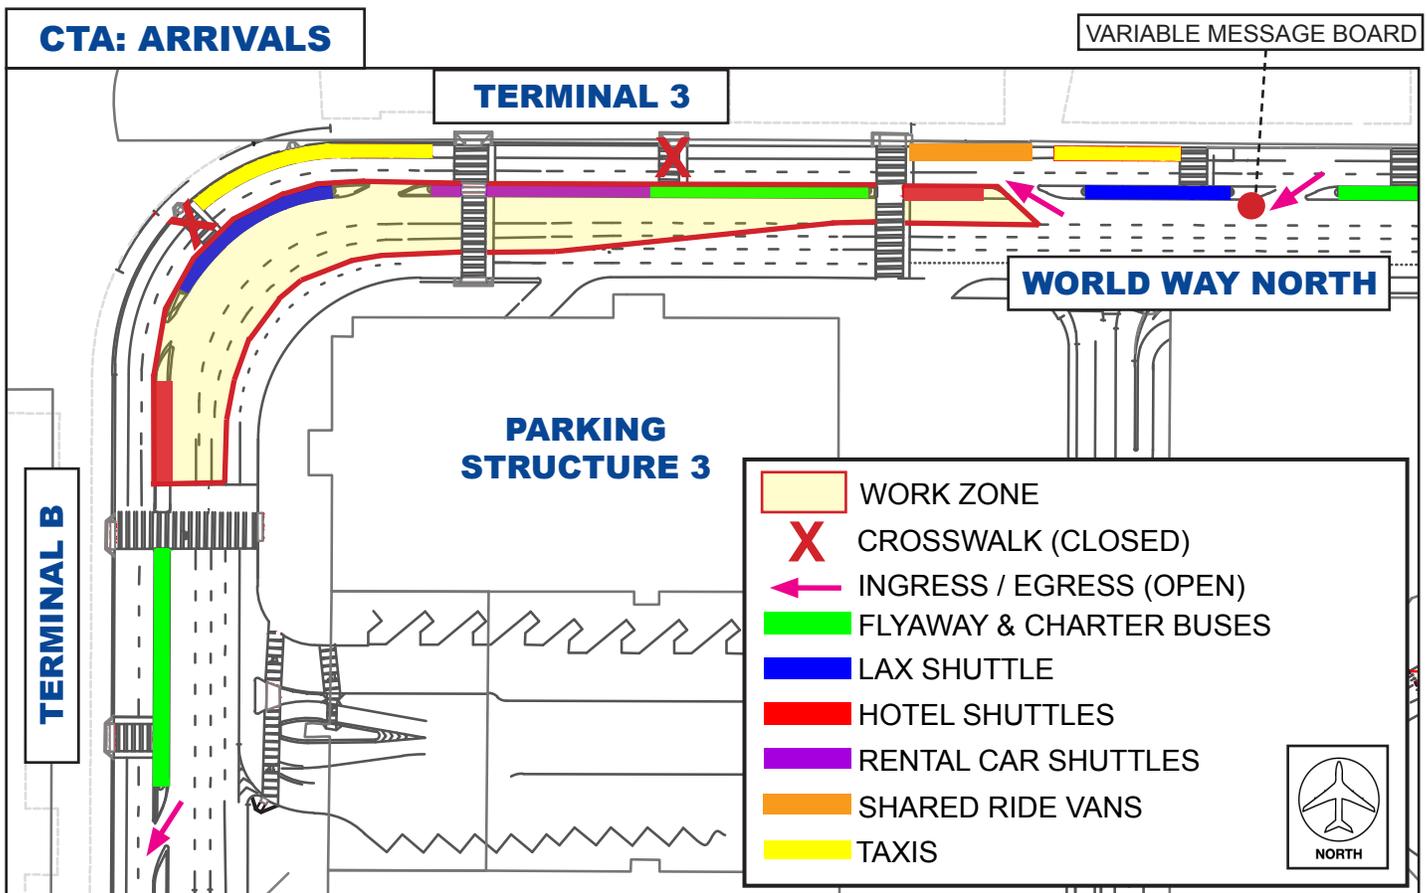

### IMPACTS:

#### CLOSED

- Outer lanes 3, 4 & 5 (Bus Lane) between Terminal 3 and Terminal B
- Inner lane egress and ingress between Terminal 3 and Terminal B
- Commercial Curbs within work zone between Terminal 3 and Terminal B
  - \*Detour signage will be in place to direct pedestrians to next available shuttle stop
- Crosswalks from terminals to commercial curbs, within work zone between Terminal 3 and Terminal B

#### OPEN

- Inner lanes will be maintained at all times. Drivers picking up passengers at Terminal B must enter inner lanes at ingress directly following Variable Message Board
- Taxicab and Shared-Ride Van zones will be maintained at all times
- Crosswalks from terminals to parking structures will be maintained at all times
- Access to Parking Structure 3 will be maintained at all times
