

LANE RESTRICTIONS

Southbound Sepulveda Boulevard Ramp

From World Way South / Center Way

Monday, April 17 through Monday, May 1, 2023

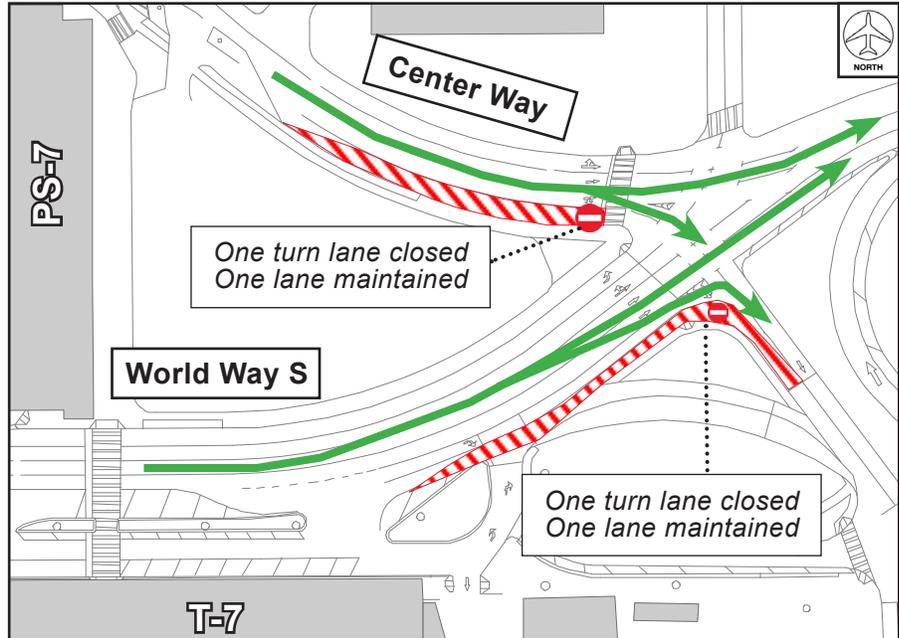

DAILY: 6AM - 1AM

ACTIVITY

To facilitate landscaping work by the APM Project, one right-hand turn lane from World Way South and one right-hand turn lane from Center Way, both to the southbound Sepulveda Boulevard ramp, will be closed Monday, April 17 through Monday, May 1. These lane restrictions will be in place 24/7. One right-hand turn lane at both locations will remain open with traffic maintained in all directions.

Please watch for posted signage and use caution when traveling near construction areas.

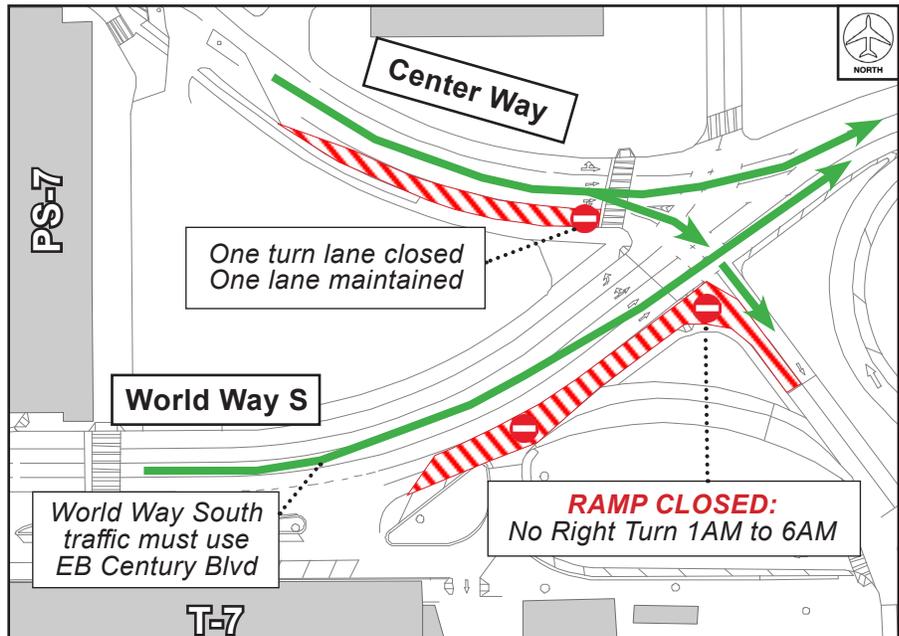

NIGHTLY: 1AM - 6AM

Nightly from 1AM to 6AM, both right-hand turn lanes from World Way South to the southbound Sepulveda Ramp will be closed. During these hours, vehicles on World Way South will not be able to turn right and must continue to eastbound Century Boulevard.

Vehicles needing to reach I-105 will use eastbound Century Boulevard to southbound Aviation Boulevard.

Center Way traffic will be able to make the right-hand turn to the southbound Sepulveda Boulevard ramp via the one open lane.
