

LANE RESTRICTIONS

Bellanca Avenue at 98th Street Intersection

Friday, July 11 at 9PM through Monday, July 14 at 6AM

ACTIVITY

To facilitate civil work required for the future opening of 98th Street between Bellanca Avenue and La Cienega Boulevard by the Roadway & Utility Enabling (RUE) Project, lane restrictions will be in place at the intersection of Bellanca Avenue and 98th Street beginning Friday, July 11 at 9PM through Monday, July 14 at 6AM. Work will occur in two phases; please watch for posted signage and use caution when traveling near construction areas.

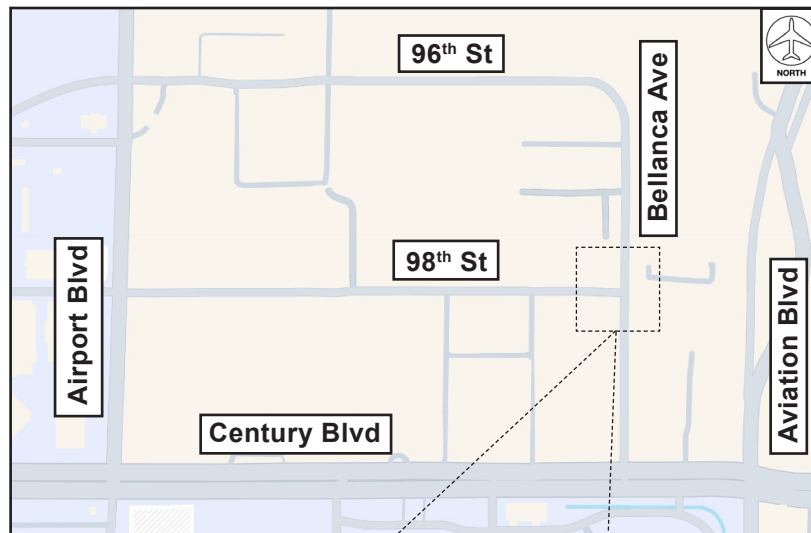

PHASE 1: WEST

Work performed on west side of Bellanca Avenue; Bellanca Avenue through traffic is maintained at all times, as well as local access for 98th Street. Please note, there will be no access between 98th Street and Bellanca Avenue during this phase.

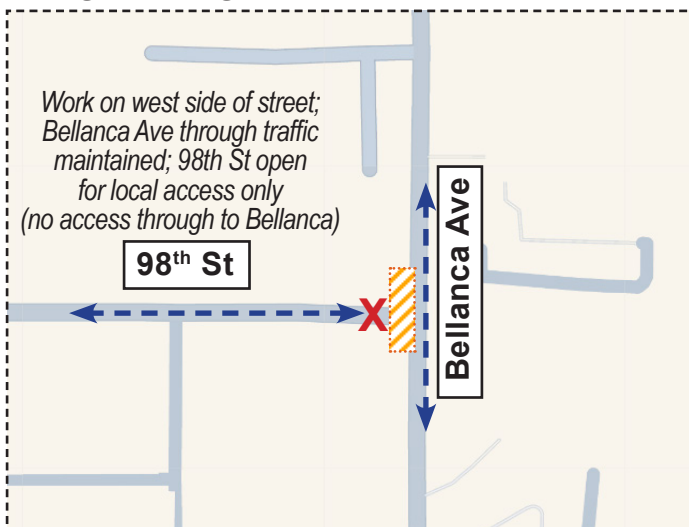

PHASE 2: EAST

Work performed on east side of Bellanca Avenue; All traffic movements are maintained via flagger with one lane of traffic maintained in each direction on Bellanca Avenue.

Local access will be maintained at all times and signage will be in place to facilitate traffic.

PHASE 1: WEST

PHASE 2: EAST
